EXPERIENCE

Afro Watch
2021-2022

- I worked in a team to develop a full-stack website with a large database using various web technologies and modules.
- I developed API's to handle request from the website.
- I developed a real-time chat/ commenting system using a real-time database.
- I developed smart algorithm to reduce code size and boost web performance.

Kids Code Club Africa
2022

- I worked as an instructor teaching children and teenagers how to code.
- I taught them web and game development using HTML, CSS, JAVASCRIPT AND C# + Unity.

EDUCATION

Saint Paul's Academy
2016-2022 (3.78gpa)
